

Please donate to our Community Fridge Initiative

We are SCOREscotland (Strengthening Communities for Race Equality - Scotland), located in Wester Hailes, Edinburgh. We're working to raise £9,000 to expand our Community Fridge initiative. While we've been running this project for several years, we now need your support more than ever. Here's how your contribution can make a difference:

Community Fridge Initiative

£1,000

*will help cover
volunteer travel
costs and training.*

£2,000

*will allow us to start
a new food growing
project, providing
fresh produce like
mint, rocket, and
molokhia for
fridge users.*

£3,000

*will fund cooking
sessions for local
people, using
community fridge
left over food to
promote healthy
eating and food
sustainability.*

£3,000

*will enable us
to extend our
community fridge
opening hours
to serve the
community more
frequently.*

***Please make
a donation***
